

Invitation to meeting for a research network in Rhetoric and Education

Spring 2011 an initiative was taken to start a research network in Rhetoric and Education in Scandinavia. The network is going to meet in Malmö University and the Faculty of Teaching and Society May 10th 2012. The main questions in this meeting will be:

- What place does rhetoric have in Norwegian, Danish and Swedish teacher education?
Presentation of a survey.
- Teaching in the landscape of media – what role does rhetoric have?
- What aims does a researcher network in rhetoric and education have? How do we proceed?
