

# WILL - Workshops in Informal Logic and Linguistics

An Argumentation Forum at The University of Łódź, Poland

15th May 2016

The Department of English and General Linguistics at the University of Łódź, in association with the Evidence, Causation and Argumentation

Project<<http://evidencecausationargumentation.wordpress.com/>>, invites you to participate in the first session of WILL: An Argumentation Forum, to be held at the Faculty of Philology in Łódź.

The aim of this meeting is to discuss the theory and practice of argument and reasoning from a linguistics perspective. Topics will depend on the interests of the participants, but are likely to include:

The Language of Argumentation

Argumentation and Experiment in Linguistics

The Nature of Evidence

Informal Logic Fallacies

Materials for Teaching Argumentation

Rhetoric and Persuasion

Rather than presentations followed by a few minutes for discussion, this meeting will feature workshops of about one hour, concentrating on providing a forum for discussion and co-operation. If you are interested in participating in the event or leading a workshop, visit our website or write to [will2016lodz@gmail.com](mailto:will2016lodz@gmail.com)<<mailto:will2016lodz@gmail.com>> for more details.
